

Void Indicating Labels

Security graphic adhesive

- Achieve product identification that defeats warranty abuse.
- Label leaves a visible VOID marking on both label and attachment surface if label is removed.
- Attractively identify your products with security barcodes that deter theft and unauthorized use.

FEATURES

Conforms to Industry Standards:

MIL-DTL-19834C

MIL-DTL-15024F

ISO 15416

ANSI-X3.182-1990

RoHS, WEEE, REACH

as well as other applicable standards.

BARCODES

- Any barcode symbology may be utilized including linear or two dimensional codes. Asset tags may also be produced with no barcode and with human readable data only.
- Variable data can be generated from any sequence you specify or in the case of complex or random data you may provide an electronic data file.
- Our rigorous Quality Management System and robust data management services ensure data integrity and complete delivery.

MATERIALS

- .002 Polyester with specialty premium adhesive which leaves a pattern of the word "Void" when label is removed.
- White background and a variety of colors are available.
- Logos may be included.
