

Vinyl Barcode Labels

Digitally printed

- Enjoy economy combined with precision graphics and durability suited for general indoor use.
- Effectively label a variety of locations with attractive and functional barcodes and permanent adhesive backing.
- Durable soft white vinyl conforms to irregular surfaces.
- Designed to perform dependably in low impact environments of mild abuse.

FEATURES

- Multi-colored graphics can be added without added expense.
- Optional clear UV flood coating or clear polyester over-laminate to provide additional durability.

Conforms to Industry Standards:

ISO 15416

MIL-DTL-15024F

ISO 15416

ANSI-X3.182-1990

RoHS, WEEE, REACH

as well as other applicable standards.

BARCODES

- Any barcode symbology may be utilized, including linear or two-dimensional codes. Multiple barcodes and multiple symbologies can be included on a single label.
- Variable data can be generated from any sequence you specify or in the case of complex or random data you may provide an electronic data file.
- Our rigorous Quality Management System and robust data management services ensure data integrity and complete delivery.

MATERIALS

- Soft white vinyl .0038" thick with 1.1 mil adhesive backing.
- Optional clear polyester overlaminates.
- One or more colors and logos may be included.
- Produced in virtually any size or shape.
